

Methods of Joining

When Ordering,
Please Specify
Type of Material:

- Zinc-Coated
(Galvanized)

Instalok™ Coupling

INSTALOK™
COUPLINGS

Specifications

- 1-1/2" OD to 4-1/2" OD
- 20% Lower cost than traditional couplings
- 30% Quicker installation
- Couplings have a unique clamping design that offers unparalleled strength and grip
- Made with Grade 5 stress relieved bolts to ensure a trouble-free installation

Instalok™ Couplings

- Couplings are made of galvanized steel
- Standard O-ring is black nitrile
- Viton O-rings are also available
- Also offering replacement O-rings, nuts, bolts and clamps
